CBMI Organization

WHAT

College Business Management Institute (CBMI) offers an intensive course of study in **business and financial management** for administrators of colleges and universities. Ranging from **entry-level to advanced**, over 85 courses will be offered, with **27 CPE credits** available during CBMI 2026, all taught by distinguished **faculty who are practicing administrators and leaders in their fields.**

WHY

CBMI is designed to give participants the opportunity to:

- Gain a **broader perspective** of higher education business administration.
- **Discuss the latest issues and topics** in higher education.
- **Learn how other institutions deal** with administrative problems.
- **Develop professional relationships** with colleagues at other institutions.
- Prepare for a promotion and learn other **professional development skills.**

WHO

Administrators and personnel in higher education who have interest or responsibilities in any of the following areas: academic departments, accounting or finance, auxiliary services, budget or planning, development, institutional management, personnel, physical plant, purchasing, safety and security, student personnel and more.

WHERE

CBMI courses are hosted at the **University of Kentucky** campus in Lexington, Kentucky, and events are held in Downtown Lexington.

WHEN

The 2026 CBMI conference will be held **Sunday, July 26th to Friday, July 31st.**

The 73rd CBMI Highlights

10+ new faculty members and 25 new courses!

New Merchandise offerings on a streamlined website.

Revamped Monday Night Event hosted at LexLive.

Tours of Lexington's great food, bourbon, and horse industries.

Quality Networking Opportunities throughout the week!
