

LSU Tigerland and Auxiliary Leadership Camp June 21-23, 2026

FAQs

Meals:

- Lunch and Dinner provided for residential and commuter participants – breakfast is only provided for residents. You will receive a badge to cover breakfast (residents only), lunch, and dinner each day in The 5 Dining Hall. Snacks and any additional food purchases are the responsibility of the camper.

Facilities:

- Camp activities will primarily occur in three buildings: the College of Music & Dramatic Arts Building (CMDA), the School of Music Building (SoM), the Field House (FH). These are air-conditioned and have restrooms & water fountains available. A sweater or light jacket is recommended as the temperature inside often fluctuates.

Medical Forms

- All medical forms are being captured within the Active system when students register for camp. This must be completed prior to the beginning of camp. You do not need to bring any medical form with you to registration.

Illness & Injury:

- In the event of an illness or injury, campers should notify a counselor or staff member immediately. Students will be accompanied to the University Student Health Center, located adjacent to the College of Music & Dramatic Arts Building. Students with minor injury or illness may be assigned to their rooms for rest. Students with major injury or illness will be sent home. The band staff reserves the right to exercise judgment about whether a sick camper can remain at camp. Students may be sent home for their own health and the safety of the other campers.

Student Health Center:

- Located adjacent to the Music & Dramatic Arts Building on Infirmiry Rd, the Student Health Center will be available to treat minor injuries and illnesses. Local 911 services will be called for emergencies. Major illnesses/injuries will be referred to local hospitals. The Center is “out-of-network” but will accept health insurance. Upon check-in, a visit fee will be charged. Campers must have a signed medical release form on file with the camp staff.

Parking:

- Monday and Tuesday permit parking for commuters (and residents leaving their vehicles) will be assigned parking in the green residential lots. We recommend parking at Tiger Band Hall parking lots but all Zone 1 Commuter or Zone 3 Residential lots are accessible. A permit is required for parking on campus, but parking is not enforced on Sundays. Parking passes can be purchased as an add-on during the registration process in Active. Parking zones are in effect until 8:00pm Monday through Friday. An interactive parking map can be found here: [Louisiana State University Parking](#)

Commuter Pick-up/Drop-Off:

- Non-parking commuters being driven by a family member/friend should refer to their specific track schedules for pick-up and drop-off locations. Please consult the campus map online for an electronic version.
 - Note: Drop-off on Sunday will be at the assigned dorm (Cypress Hall).
 - Commuters can be picked up from Tiger Band Hall following final performances on Tuesday evening.
- Camp activities typically end by 9:00pm each evening. A counselor will escort students to the pick-up location at the end of the day. Drumline and Drum Majors should be picked up at the School of Music at the end of the day. Colorguard should be picked up at Tiger Band Hall.
