STEPHENSON PET CLINIC BRICK AND PAVER CAMPAIGN

Your personalized message engraved on a brick or paver leading to the new Stephenson Pet Clinic helps lead the way to the LSU School of Veterinary Medicine's ever-expanding excellence. Each brick and paver gift will support the clinic, its landscaping and hardscaping, and permanent elements that will complete the public-facing entryway.

Engraved bricks and pavers are a thoughtful way to memorialize a pet, pay tribute to a friend or family member, or honor a memory or event.

Pavers are 8" x 8" and hold up to six lines with 16 characters per line. Pavers are available for purchase at \$500 each.

Bricks are 4" x 8" and hold up to three lines of text with 16 characters per line. Bricks are available for purchase at \$200 each.
